

Bye honey, see you home for dinner.

Drive safely dear.

THE LOIS & QUAGMIRE AFFAIR

We... ell Lois. What can o'l Quagmire do for you?

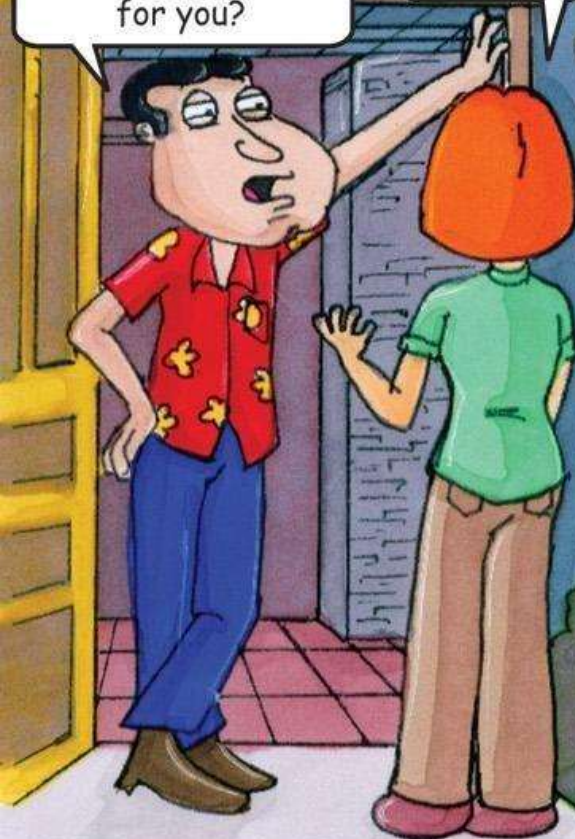

Oh uh.. hi Glenn.

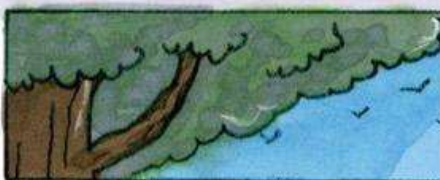

Oh Glenn, I'm kind of worried about my sexual relationship between me and Peter.

Boy! This is my lucky day.

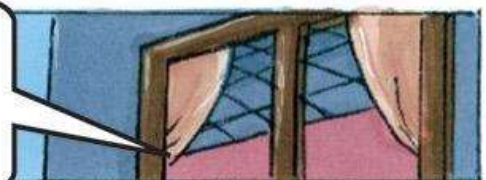

Mmm... mm...

It's a bit akward saying this, but I don't know who to turn to.

Lately I've not been enjoying my weekly sex routine with Peter. Is it true I'm beginning to grow tired of the same thing?

Well Lois, I think what you need is a change in enviroment. You know, something a bit more 'spice' in your sex life.

Martini?

Well I don't... ah what the hell. I need something to relive the stress.

Change in enviroment eh? What exactly do you have in mind Glenn?

You'll know soon enough.

Oh my... I feel light! What did you put inside this martini Glenn?

Some japanese guy recommended me this powdered mix. In a few hours, you won't remember a thing.

There... there...

God what's happening to me?

Felling better?

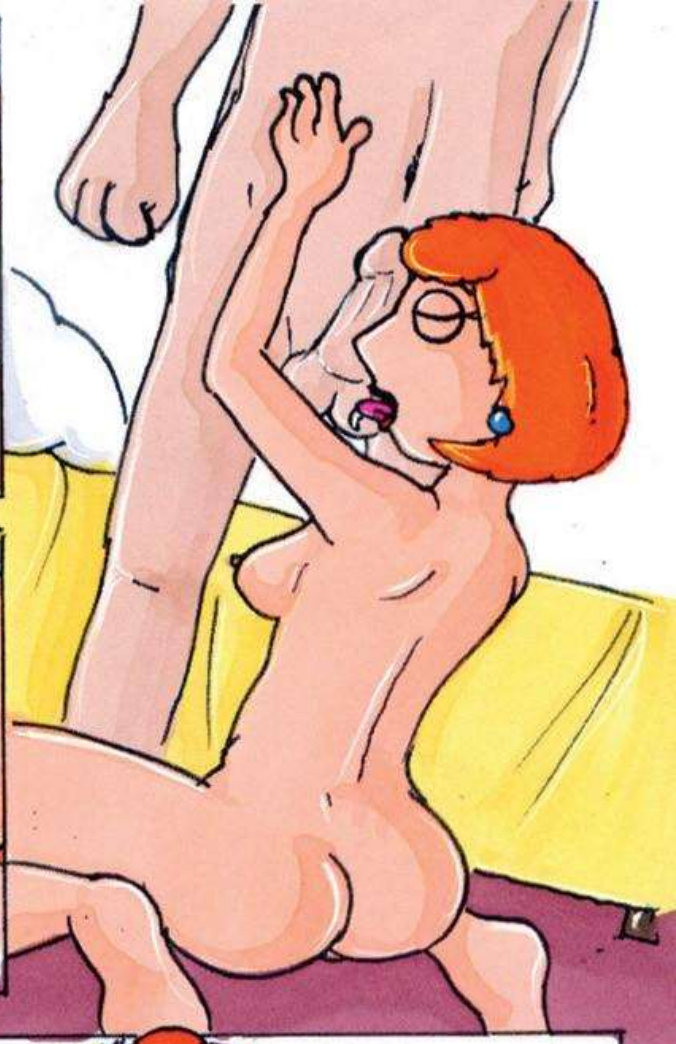

Oh... Glenn...

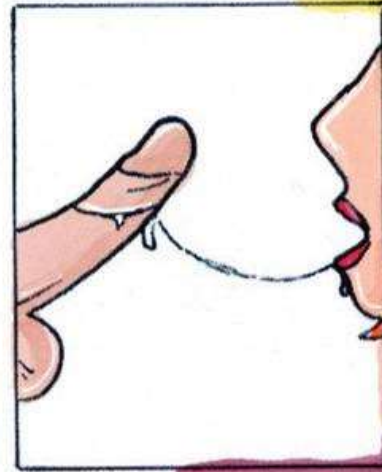

...oohh... ahhh...

My, that's...
big.

mmph...

Ahh Lois... I can't
believe I'm actually
doing it with you.

Oh... don't
stop Glenn!
Don't stop!

God... I'm in
heaven...

AH!
AH!
AH!
AH!

Giggity...

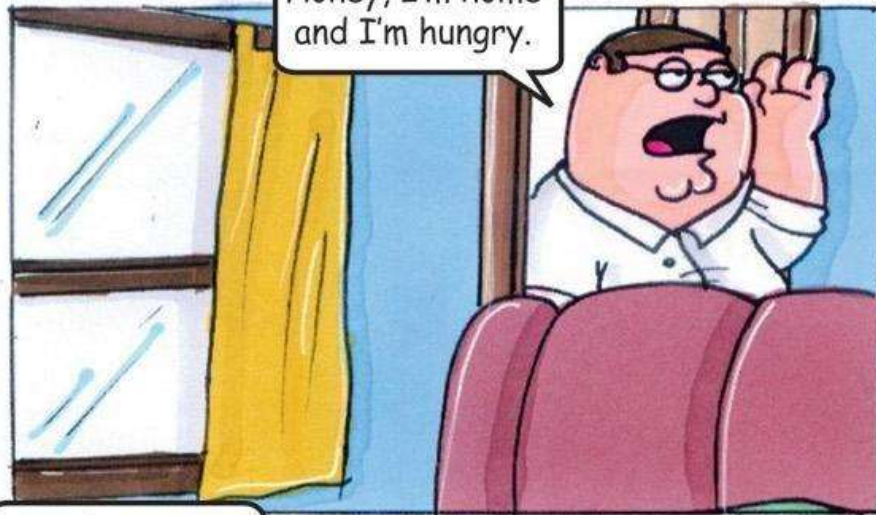

ooooh...

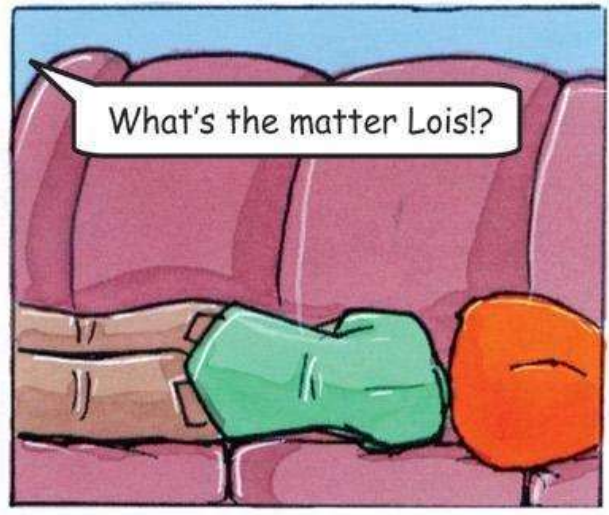

SPLURT!!

Honey, I'm home
and I'm hungry.

What's the matter Lois!?

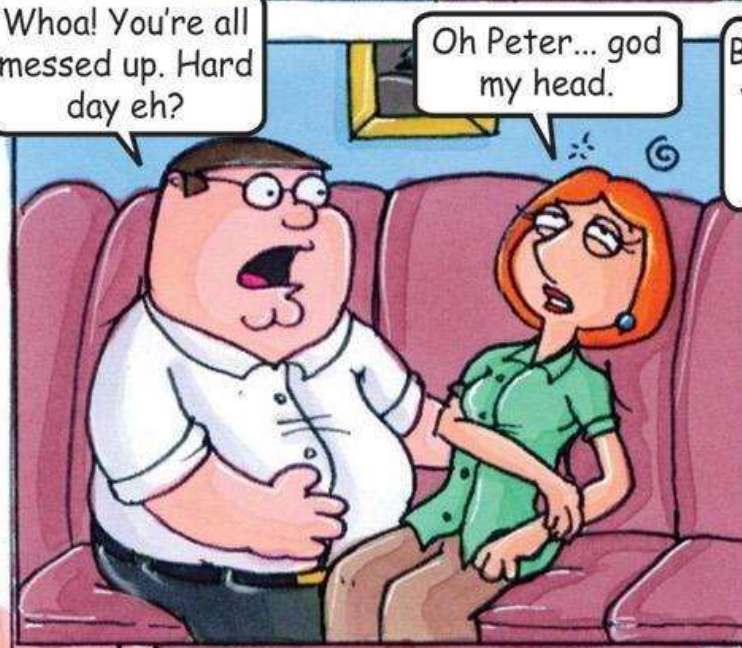

Whoa! You're all
messed up. Hard
day eh?

Oh Peter... god
my head.

But last week
you were all
slow and
boring.

I'm ready for
tonight dear.

Don't worry Peter.
I'm all ready.

Ahh...

Uh... I can keep it a secret
if you give me some of
those powder.

He... he...
allrrriiggghht.

I saw the whole thing Quagmire!
You SICK pervert.

Strange, I don't remember anything...

That time at Glenn's house..

mm... god, not again...

My.... this is turning me on...

nnnggg...

Hmm... it's not locked. No one must be using it then.

Err... you know Mom, you should always lock the door when you're uh...

...exploring yourself.

Now squeeze these...

ooh... yes... that's very good Chris...

My god, it's huge.

This is what they call the 69 position...

Now I want you to stick your tongue inside my vagina.

You really have grown so much Chris...

Not many people have your size... mmm....

FLOP!
FLOP!
FLOP!

...uh, let's go further down and rub it a little... mmm...

Here...?

Yes Chris, blow it all on mommy's face!

SPLURT!

FLOP!

Wow, still strong?

Err... mom, do you think it's enough now?
